Charge Account

As one of the “perks” of being a tenant here at the Marina, you have the privilege of utilizing a charge account; however, your charge account will be required to be secured by a valid credit card or a pre-payment on your account.

You may still make a payment on your charge account by cash, check or credit card at any time. However, any open and unpaid balance present on the 1st day of the following month will automatically be charged to your credit card on file. Example: all April charges are due by May 31st. On June 1st, any previous balance will be automatically charged to your credit card. If the credit card payment is declined, a \$30.00 late fee will be charged to your account and charging privileges will be suspended until the 30-day balance is paid in full.

Your credit card information will be stored according to the Payment Card Industry Data Security Standard (PCI DSS) requirements.

We're proud to offer the charge account convenience and appreciate your timely payments.

Once your form is received by Jayhawk Marina, your charge account will be activated.

I, _____, authorize to have my credit card charged for any balance on my Jayhawk Marina Account that is unpaid after 30 days.
